EARLPART Ltd has been established since 1973. During that time we have built up a reputation for quality products at competitive prices. We pioneered the field of the A60 range of remanufactured body panels and our quality products are purchased by many of the enthusiasts. This, we feel, speaks for itself, and we continue to strive to maintain the highest possible standards on which our reputation is based and continues to thrive. We are continually expanding our range of remanufactured obsolete parts, and are very proud of our achievements thus far. If you feel that any area is sadly neglected, your comments and suggestions would be most welcome.

We can provide a fully comprehensive range of services which includes all mechanical work, servicing, MOT repairs carried out in our own workshop. We are fully conversant with every aspect of your vehicle, and helpful technical advice is always freely available. We are contactable 7 days per week on either of the telephone numbers given.

We export worldwide' including the **EEC**, and all enquiries from these areas are most welcome.

HOW TO FIND A PART:

Firstly, select the category required, which' are alphabetically listed (ie: part required." L-H Front wing"- Section alphabetically' for". Wing" then for" Front", then "L-H. It's that's simple!

SURCHARGES:

We would ask for your co-operation on the return of exchange units, as we are only able to provide this service whilst we continue to receive a supply of reconditionable units. When the returned units stop, this service will no longer be able to operate. Please respond promptly. Your old unit, once reconditioned, could help a fellow **ENTHUSIAST** owner. It is up to you to help us to continue to provide this service!

ITEMS marked **EXCH** or **EX**, are exchange items, and, as such, incur a surcharge. This is fully refundable upon the return of your old unit, which must be in an undamaged, serviceable condition to qualify. The old unit must also be returned within a **90 DAY** period. Please return your old units promptly, taking care not to damage them upon removal.
